

Troop 84

Venture High Adventure Week

Additional Deposit

To: All Summer Venture Trip Participants

- Laurel Highlands
- Katahdin Adventure

Detailed preparation and planning for the Summer 2008 Venture High Adventure Trips has started. Many of the outfitters running the activities require early down payments in order to secure spots on specific dates. Therefore, an additional, non-refundable payment is due towards the Trek.

Please return the bottom portion with your payment of \$50 by May 12th.

Balance will be due in June. We are still working on the total costs of the trips.

- Laurel Highlands – The trek itinerary has changed slightly with the reworking of the kayak portion. This will bring the cost up from a planned \$350 to \$375
- Katahdin Adventure – The cost is still projected to be between \$340-\$390.

Higher gas prices may increase the transportation costs of both trips.

*Return with deposit on May 12th
