

# Troop 84 Somerville, NJ

## Personal Service Hours Report

Any Boy Scout in Troop 84 is able to earn service hours for work he does outside the troop for the betterment of the community. These hours may not be applied to any other service requirements he must meet for church, school, or other social groups. The scout may not receive any monetary reimbursements for his time and efforts. He can not directly benefit from the outcome of his labors, as an individual. His service should benefit a group of people or an organization. If the Scout's participation in an activity meets these requirements then please complete this form and have the Scout return it to the Troop 84. Thank you for your assistance and cooperation. We hope that our Scout's time and effort were able to benefit you and your organization in a positive way.
