## Summer Camp 2009

### **What is Camp Bell?**

Camp Bell is a unique Scouting experience. This troop and patrol camp is designed for all aged Scouts to participate in. The paramount mission of Camp Bell is to strengthen patrols within the troop structure. Camp Bell accomplishes this through a wide range of different program areas, each offering hands on patrol participation activities. Program areas have both traditional and living history atmosphere to them. Patrols visit a program area for a good part of a day, participate in activities and instruction, earn advancement and strengthen the patrol all at the same time. Patrol Cooking is offered in the campsite as a means of building the patrol method and strengthening cooking skills. Camp Bell offers a camping challenge for troops and patrols ready for classic Scouting.

### **The Program Areas at Bell are:**
